Publicity is made in the form of contact with the public requesting information on Italy: via correspondence, telephone and personal visits to our Office. The media used to promote travel are: advertising, radio, interviews, lectures to clubs, travel groups and travel writers. These lectures are extemporaneous because they are mostly based on a question and answer format that follows the pattern that the public seems to prefer. This office has at no time used any other material but strictly tourist information and never discussed or given its opinion of political situations in reference to either Italy or the United States.
